In reply to the final official action on the merits mailed July 13, 2005, with three months to reply ending on October 13, 2005, Applicant has amended the claims 21 and 29 in accord with what is believed would be acceptable to the Examiner and submits them herewith. Figures with reference numbers 18 and 19 removed are submitted as are copies with the changes highlighted in red. A terminal disclaimer signed by the undersigned attorney of record is filed to overcome the Examiner's rejections of claims that may conflicts with Applicant's issued patent 6,761,372. A check for this terminal disclaimer is made payable to "Director of
